OGGETTO: Torneo ERA – Young European Lawyers Contest 2022

Care Colleghe, cari Colleghi,

Il Consiglio Nazionale Forense partecipa al torneo *Young European Lawyers Contest 2022* indetto dalla Accademia di Diritto Europeo – ERA, rivolto ai neo-avvocati che si sfideranno in un torneo sui temi relativi al diritto della Unione Europea al fine di approfondire le loro conoscenze in materia.

I partecipanti saranno riuniti in squadre composte da concorrenti provenienti da diversi paesi europei, che si sfideranno nella applicazione delle loro conoscenze del diritto europeo tramite giochi di ruolo su casi pratici. Sotto l'occhio vigile di una giuria di eminenti professionisti del diritto europeo, impareranno a collaborare con colleghi di altre culture giuridiche nell'affrontare casi in diverse aree del diritto quali i diritti fondamentali e lo stato di diritto, l'accesso alla giustizia, il diritto economico, la cooperazione frontaliere in materia civile e commerciale e la giustizia penale.

Il torneo è un'opportunità per incoraggiare i giovani avvocati ad appassionarsi al diritto europeo e ad imparare come usarlo per migliorare la loro attività quotidiana.

Il torneo, che si terrà interamente in lingua inglese, è rivolto ai praticanti avvocati o giovani avvocati.

La quota di partecipazione è pari a € 170,00 per partecipante, inclusiva di materiale didattico, pranzi, cene e pause caffè. ERA si farà carico delle spese di soggiorno dei partecipanti alle semifinali e alla finale e metterà a disposizione un contributo per le spese di viaggio.

Young European
Lawyers Contest

Young European Lawyers Contest 2022

Co-funded by the Justice Programme
2021-2024 of the European Union

 younglawyerscontest.eu

Aim of the contest

The contest will bring together young and newly-qualified lawyers to spotlight the importance of European law for their future legal practice.

In teams composed of contestants from different European countries, they will be challenged to apply their knowledge of European law in practical role-play scenarios. Under the watchful eye of a jury of leading European law practitioners, they will learn to work with peers from other legal cultures to build strong cases in areas as diverse as fundamental rights and the rule of law, access to justice, economic law, cross-border cooperation in civil and commercial matters, and criminal justice. The contestants will be judged both on their knowledge of European law and on their advocacy skills in drafting written arguments, conducting negotiations and pleading before a judge. The contest is an opportunity for national and regional Bars to encourage their young lawyers to get excited about European law and to learn how to use it to improve their day-to-day practice.

Format

The contest will be composed of 3 semi-finals and one final.

Semi-finals

The semi-finals organised in Barcelona, Bratislava and Warsaw will consist of the preparation by the teams of a written report on a question of EU law with a practical relevance for the daily professional practice, and the oral presentation of it. The written report will be prepared ahead of the face-to-face semi-finals. Teams of up to four contestants from different EU Member States will be put into contact at least two months ahead of the semi-final by means of online communication and will be invited to exchange their ideas and work for the preparation of their written report.

Final

The best two teams from each semi-final will take part in a three-day final held at ERA's premises in Trier and at the General Court of the European Union in Luxembourg. The final will include training on "how to litigate before the Court of Justice" and negotiation exercise. It will close with the organisation of a moot court at the General Court of the European Union where the two winning teams of the previous exercise will contest in front of a jury composed of high-profile representatives from legal practice, and judges from the CJEU.
